

THE KEVIN J. HANNAFORD, SR. FOUNDATION

Ninth Annual Family Fun Day

May 6, 2012

About The Foundation

On September 11, 2001, Kevin bent over to kiss his sleeping 2 year old son, Patrick. He touched the belly of his pregnant wife, Eileen, and told her again that he loved her. Then Kevin melted into the predawn darkness. Later that morning, in World Trade Center I, Kevin left us all. On January 9, 2002, Kevin gave us all a wonderful gift, his son, Kevin, Jr. Even though Kevin is no longer with us, his spirit will forever be alive.

The Foundation is named for Kevin J. Hannaford who was among 17 Bernards Township, New Jersey residents killed in the September 11, 2001 terrorist attacks on the World Trade Center in New York City. The hope is to keep Kevin's memory alive while also helping the community that has so generously supported the Hannaford Family. This Family Fun Day will help everyone appreciate that something good can evolve from tragic events.

With your help, we will continue to assist local children who suffer the loss of a parent in pursuing educational and enrichment opportunities. It is our hope that through this gift, each child will develop into a healthy giving adult.

We thank you for joining us today to celebrate Kevin's life and to memorialize him through The Foundation. We hope you will join us every year as we keep Kevin's memory alive through our love and support - one child at a time.

Thanks to Today's Volunteers!
